

EVS 20 Years: 'Pay it Forward' Competition

2016 marks 20 years since the European Voluntary Service began.

Has your organisation gained from EVS?

Would you like more organisations and young people to benefit from EVS?

If so, now's the time to 'Pay it Forward'!

The Competition

Entries can be in any format once they address one or more of the competition objectives. For example, you might run workshops; make videos; create other EVS resources; provide open days or run other events for organisations in your area.

We are looking for you to come up with imaginative ways to address one or more of the following objectives (in your locality or nationwide):

- share what you have gained from EVS with other organisations and young people
- attract new and diverse groups to EVS
- offer support to other groups to access EVS.

The competition is open to all accredited EVS hosting and sending organisations in Ireland, together with their current or former volunteers.

The Prize

We have over €5,000 in [One-4-All vouchers](#) to give away! The winning organisations and volunteers can choose how they wish to spend the vouchers -- redeemable in over 7,000 outlets nationwide.

How to Enter

A typed Entry Form (available shortly) should be forwarded by email to payitforward@leargas.ie by **Sunday, 11 September 2016** accompanied by evidence of your Pay it Forward activities/outputs. All activities relevant to the competition entry must be completed before the entry is submitted.

Do let us know what events or activities you are planning as we may be able to attend or offer support! Contact payitforward@leargas.ie.

Terms and Conditions, along with the Competition Entry Form, will be available on the [Pay it Forward microsite](#) soon.
