

The community for schools in Europe

eTwinning is a free and secure online platform for teachers working in European schools to communicate, collaborate, develop projects, share and - in short - be part of the most exciting learning community in Europe!

Aims of eTwinning

- Facilitate collaboration between teachers in different countries in Europe
- Help schools find partners
- Encourage and carry out joint projects
- Share best practice and ideas
- Support Professional Development
- Allow teachers and pupils to work together online using various tools

eTwinning is not about creating extra work - it supports the existing curriculum by allowing you and your students to develop digital literacy and ICT skills in a secure environment.
