

## eTwinning Thematic Prize

### Terms & Conditions - September 2025

Léargas is excited to bring you the eTwinning Thematic Prize 2025. The Prize is based on this year's theme, **Citizenship Education**. The annual theme is set each by the European Commission and communicated by Léargas, the National Support Organisation, to the eTwinning community in Ireland. Read more about the annual theme on ESEP [here](#).

### The Prizes

- One overall winner will receive a €500 voucher for the purchase of ICT equipment for their school.
- Three runners-up will each receive a €250 for the purchase of ICT equipment for their school.
- Winners will be notified in December 2025.

### Entry Criteria

- Any project registered on the [eTwinning platform](#) under the annual theme is automatically entered into the Thematic Prize.
- Projects must be registered between 1 January 2025 – 30 November 2025 to be entered.
- eTwinning projects must include citizenship as one of the “Subjects related to the project” or “Key competences” to be eligible. These are selected by the project founder during registration of the project on the eTwinning platform.

### Selection Criteria

- The project must display clear alignment with the theme of Citizenship Education as part of project goals and project work.

- There must be evidence of work displayed in the project TwinSpace in order to be evaluated. The minimum requirement is to use and react to partners' materials.
- Project alignment with the Irish curriculum will be taken into account during evaluation.
- Student contributions will be taken into account during evaluation.
